2025

AP Platinum Honor Roll recognizes high schools that demonstrate exceptional success in their Advanced Placement (AP) programs by meeting high criteria across three key areas: College Culture, College Credit, and College Optimization.

## MESSAGE FROM ADMINISTRATION

Dear Bahrain School Community,

We are incredibly proud to announce that our **Boys Volleyball Team has won the Euros Division II Championship**, a historic victory for Bahrain School!

A temporary continuing resolution has been agreed upon, making this the final PDF newsletter moving forward.

A special thank you to **Mr. Herrera** for organizing the celebration for our championship team, and to **Mr. Herrera, Mr. Frerot**, and the Student Council for an incredible Spirit Week filled with energy, creativity, and Falcon pride.

Parents and Guardians, please be aware that **new signage has been installed at the main entrance doors** of our building to improve clarity and safety.

### Coming Up This Week:

- High School Homecoming Dance
- Honors Music Festival – Hubingen, Germany
- FBLA Induction
- R.A.W. Bites

Thank you all for your continued support and engagement.

**Educationally,**

**BMHS Administration**

Ms. Shana Seawright  
Principal

Dr. Yolonda Tabb  
Assistant Principal

RVS RIFFA VIEWS INTERNATIONAL SCHOOL

MIT Global Experiences

## MIT Global Experiences at Riffa Views International School

Through the MIT-MISTI Bahrain Initiative, we are proud to partner to offer students across Bahrain an opportunity to engage in world-class, hands-on learning experiences in Robotics, Artificial Intelligence, and Engineering.

- Industrial Robotic Arm** January 5-29
- AI in Marketing & Content Creation** January 5-17
- AI Vision Quest** January 5-29
- AI Creators Lab** January 18-29
- Electric Car Engineering** January 5-17

### Key Details:

- Programs are open to students in Grades 8-12 or Grades 9-12, depending on the course.
- Limited seats are available; each student may register for only one program.
- Some programs have specific prerequisites listed in the flyers.

REGISTRATION IS AVAILABLE VIA THE LINKS ON THE FLYER OR GOOGLE CLASSROOM

**Stay Healthy This Flu Season!**

The 2025–2026 flu season is here, and we want everyone in our school community to stay safe and healthy.

**What is the flu?**

According to the National Foundation for Infectious Diseases, Flu is a contagious virus that can make you feel sick, even healthy kids and adults can catch it. It spreads through droplets when people cough, sneeze, or talk. You can also get it by touching something with the virus and then touching your eyes, nose, or mouth.

**Did you know?**

You can spread the flu before you even know you are sick and for about a week after symptoms start. People are most contagious during the first three days of illness.

**Common Flu Symptoms (Think F.A.C.T.S.)**

- Fever
- Aches (muscles, body, headaches)
- Chills
- Tiredness (fatigue)
- Sudden onset

*Other signs include cough, runny or stuffy nose, and/or sore throat.*

*Children may have additional symptoms such as earaches, nausea, vomiting, and diarrhea.*

**How to Prevent the Flu**

The best protection? **Get your flu shot!**

The CDC recommends everyone 6 months and older get vaccinated every year. The best time is in the fall. Flu vaccines are updated each year to fight the viruses expected to spread. Even if the vaccine does not stop the flu completely, it can make symptoms milder and prevent serious complications.

**Quick Facts**

- All U.S. flu vaccines this season are trivalent (protect against three strains).
- People with chronic conditions like heart or lung disease are at higher risk for complications. Flu moves fast, so should you! If you feel sick, see your doctor right away.
